

An aerial photograph of the Cascade Falls apartment complex. The image shows a large residential development with numerous multi-story apartment buildings, each with a brown roof. The buildings are arranged in a somewhat circular or semi-circular pattern around a central area. There are several parking lots with cars parked, and a winding road or driveway cuts through the complex. The surrounding area is lush with green trees and vegetation. In the top left corner, a multi-lane highway is visible. The overall scene is a dense, green residential neighborhood.
